

Schaumburg Park District Olympic Park

BETTER LIGHTING SOLUTIONS FOR YOUR COMMUNITY SPACES

Enhance the beauty of your parks and recreational spaces while:

-  **improving visibility**
-  **visitor safety**
-  **reducing maintenance**

Since 1992, TWG Infrastructure Solutions has been a manufacturer’s representative agency, well known in the lighting and electrical industries. TWG represents many agencies that provide a variety of products to parks and recreation agencies, municipalities, utilities, educational and institutional facilities, architects, engineers, contractors, and others.
